“ God saw you getting tired and a cure was not to be, so he put His arms around you and whispered " Come with Me". A golden heart stopped beating hard working hands at rest, God broke our hearts to prove to us He only takes the best.
Until we meet again Grandpa, you will be forever missed. Love you bunches, your granddaughter, Ashley Nicole.

“ Even though I didn't know Mr. Alberhasky for too long, taking care of him and his family in their time of need was a wonderful pleasure of mine! You don't realize how strong a family is till you have had to witness them in their most trying times and I was happy to be there to keep Mr. Alberhasky comfortable and be support for the family. This family is amazing and I could tell that Mr. Alberhasky was loved more than life itself! He was such a sweet man and he will dearly be missed but definitely not forgotten!

“ I can not begin to express the sadness I felt today when I saw Roberts picture this morning. I know how deeply you all are hurting today and there are no words to ease the pain you all are feeling. However, what I can say is that your dad was one of the greatest men in my life growing up and I learned so many things from him in my youth. He was one the hardest working, God fearing, loving fathers I ever met. His family was first and far most his greatest asset and treated each of you all as such. I'm deeply saddened today but know deep in my heart he was ready to move forward in his journey with peace, love and excitement to be with the Lord. God bless, I love each of you and I'm praying for comfort and reassurance that you all will see him again someday. With love
