“ *It's a shame you don't realize how much a person means to you until they are gone. Only two people ever called me Scooter. My Grandfather and Bear. Bear was special to me in many ways. He got my father on at the the CJ when he needed a job. Just for that I owe a lifetime of gratitude. Not only was bear fun, he taught me many things and I'll miss him dearly. I'm so sorry for your loss, the world lost a great man. Godspeed Bear.*
