“ *My heartfelt condolences to Nina and all the kids. I know you are going to miss him terribly but he wouldn't want you to be sad--he would want you to enjoy life and smile and laugh when you think of him. I loved him like a brother and he taught me more about being a Police Officer than anyone else. I know I'll see him on the other side and we'll sit around and tell "war stories". See you soon, pal!*
