“ I wish I had known about Bob's passing. I would like to have seen the family. Bob and Tommy and I go back about 40 years or more. Bob and "Hud" used to have a good time picking on each other up at the corner. Bob has always greeted me with a smile and a hand shake. I will miss that. Peace to all of you and God Bless. J.D. “ "When you think of his smile, may you be reminded of all the good times you've shared. When you talk about the kind of person he was, may you feel prouder than ever. And when you hear all the stories people tell about him, may it bring an even richer understanding of how much he meant to everyone lucky enough to know him."
With our deepest sympathy. ...

“ David, Sharon and I are very sorry to hear of the passing of your dad. Having lost my own father a mere three years ago, I know the pains and difficulties such brings. Though I did not know him well, knowing your character tells me he was of fine character and integrity too. We most certainly would have visited you Sunday at the funeral home, but my current illness precluded that. We offer our regrets. Nevertheless, please know that you and the other members of your family are in our thoughts. We wish you strength and courage in these difficult days of adjusting your life to one without a dad, a dad to go to with various questions that I always took for granted with my own dad. Pleasant memories are fine, but in all honesty, I have found them to be a poor substitute for a real dad. Take care David.
love, Gary and Sharon
