“ Dear Shirley and all...I just received a message from Scott about the sad news and passing of Bob. I will never forget the hospitality the both of you have shown me in the past and the wonder fun times we had, beginning with watching the Thanksgiving Day football marathons! My prayers and expressions of love and sadness I extend to you. God bless you and give you peace at such a difficult time. fr. charles

“ We are all thinking of the family today. Bob left behind a beautiful family & he was a very special person. He reminded me so much of my own dad. Bob seemed to enjoy every day of living & he always made me smile when he would surprise us with a visit at DJ. He would just come into the room and you couldn't help but smile. He will be missed but his memory will always live on. I know he would be proud to know that I became a U of K fan! He loved his CATS!
