“ I was so sorry to hear of Mr. Boutell's passing. He taught my Speech class at PRP and was one of the teachers who made a difference in my education. He made the class fun and we wanted to come to class every day. Not too long ago, I saw the message he had written in my yearbook, where I had "ruined the image he had of what a PTA mother's daughter should be." Made me laugh all over again. He will be missed.

“ My sincere condolences, he was my teacher at PRP, Mr. Boutel was one of those teachers who made a difference to me. I remembered what he taught, what he said, how he taught, I wish there were more like him today. I enjoyed his classes. Speech class, history, and of course our senior play, Oklahoma. We lost a wonderful man. My sympathy to you, his family.
