“ *Uncle Robby,  
You are on my mind every single day. I know you're watching over Hannah, Dillon, Cody and Me now and we have one of the best angels we could ever have but I sure do miss you being here. I have so many things I've needed to talk to you about. Milestones I've wanted to share with you. Lots of pictures I've wanted to send you. I don't know how I'm supposed to go on the rest of my life without your guidance when I've had it for so many years. It's a tough one to face. I want to text or call you all the time. I thank you so much for everything you've helped me and my kids with over the years and every piece of wisdom and every memory I can hold on to. You are the Best Uncle Ever and We Love You So Much!*  
Love,  
Renee
