“ You all have our heartfelt condolences at Bob's passing. Just now heard. Sorry we had lost out in recent days, but we often cherish our fond memories of years past. If any of you 'kids' have a minute, please email us all the latest. Know that we love you all and are expressing our sympathy to one and all. Bob was my first ever boss (1962) the 'good ole days' of Ruud. Thinking of you all with our love, Truman/Linda
