“ *Donna and Brian,*

Melanie told me this morning about Lane's passing and I just wanted to send you my condolences. I always enjoyed the times we were able to get together and be a family; and I'll always be grateful for the times we spent at your house.

I guess noone ever really knows what to say at a time like this, and I'm certainly no different. I wish there was some magic that could take away the pain and hurt. But just know that people are thinking of you and praying for you.

*Sincerely
Dale McCallon*
