“ I grew up on Massey Road in Lebanon Junction. Bob owned land with a trailer there for years. He paid me to mow his grass when I was a kid. He was such a kind man. I was just telling my daughter about Bob a few days ago. I still think of him when I pass that place he owned on Massey. Rest in peace Bob

“ Ich weiß noch, wie ich mit Papa auf dem Fahrrad durch den Wald in Hannover fuhr. Und wie er mich auf seinem Schultern trug. Jetzt bist Du an einem besseren Ort. Wir werden uns wiedersehen...

“ *To my Big Brother I will miss you as you are no longer with us here on this earth. You were the type of brother a sister could be proud of and a person that others could look up to. Even when you felt it necessary to play jokes on me and cause me to become up set because I would believe every word you said just to find out that it was just a joke and nothing to it. This was one way you had of letting me know that you care and always did. For when times were bad you were there for me.*

*If my car needed to be fixed I could call you and ask for advice.*

*When I was a child it was you that watched out for me as you also did for me other brother and sisters.*

*A Big Brother is a special person and we all will miss you.*

*Your Sis,
