“ Dear Carolyn,

I am sorry to hear about Bob's death.

He was a very good man and I learned so much from working with him.

I will be out of town this Friday, so I will not be able to attend his funeral mass...but my prayers and thoughts will be with the both of you!

I recently found pictures of Kenny and Goldie...they are priceless! It is hard to believe...

Kenny is soon to be 26 and working as a manager of a fine dine restaurant in Lexington,KY.

Melanie is soon to be 24 and working as Marketing Director for Mockingbird Valley Soccer Club - Semi Pro Soccer Team.

Ken works in Chicago during the week for a stock-brokerage firm...and is home in Crestwood on the weekends. (I know Bob loved Chicago...I even looked up in the phone book to see if you were living in Chicago...we own a condo in Olde Town).

I got my R.N. degree many years ago and have been in and out of nursing over the years...but my love has been teaching preschool for the last 12 years.

Our parting many years ago was not the best, but I know my journey in life was to meet Bob...he touched my life in many ways and taught me many life lessons.

May you find comfort in knowing his faith was inspiring and his love for you eternal.
