“ *To the White Family*

*We are sorry to hear about the passing of Robert C. White . Our thoughts and prayers are with the family. I would like to leave the family with these brief remarks. They actually comes from the bible, so they are God's thoughts to you. God understand the hardship that you are dealing with. So He provides loving comfort for everyone who has lost someone in death. From the scriptures, this is what God is telling your family. He states that soon He would remove all sicknesses and death away from the earth.( Revelation 21:3-4) He also shares with us this wonderful source of comfort. He tells us that He would rescue and restore life back to those who have died.( John 5:28-29) In clear terms, God is saying that Robert will live again. Some may find it hard to believe that the dead can live again. Do you? God even understands that. So He has preserved nine accounts in the bible that speaks about this wonderful arrangement. Here one such example. It is recorded at Luke 7:11-17. May we please encourage the family to read the account. When doing so, why not think about how the verses apply to Robert, as God uses His powers and restore him back to life. Yes what a happy reunion this will prove to be. Remember that God does not lie. (Titus 1:2)*
