“ Bert was one of my dear friends when we were in school and even after. She was my maid of honor in my wedding in 1973. I loved her cheerful spirit and she was always so sweet to me. I lost touch with her about 20 years ago and tried to find her on social media many many times over the years. I was so shocked to see this today. I was always hoping to meet up with her again someday. I love you Bert ❤️

To the family of Bert I'm sadden to hear we lost Her. I also lost touch with her kindness of a friend. I'm so sad to have heard this on Nov. 9,2020. I can remember all the good times of running in high school at Butler. Just young adults going our separate ways without knowing why. Shame on me for not keeping in touch enough after losing touch. I just figure we would catch each other again in life. And days, months and yes years passed after our children where born. Funny how time slips away. Love you as a friend and I'm so sorry to lose a great human on this earth. Hugs to the kids and family. 💕🙏. A Butler Bear for life and We are so so sorry for your Loss and my prays are with her and her family. I will always hold her friendship in my heart. Plus she could always out fish me. Judy Ford and Bert plus myself love to eat her Tuna sandwich on the boat. Such a lost to hear losing her. Till we meet at the gate ,God got this for us buddy. Renee' Williams Walsh
