“ *Roger Thomas you was truly my favorite Cousin I couldn't wait until Summer because that meant we was Kentucky bound and I could see you! I was so young and so in love with you of course I had no clue about love but I loved my cousin something serious! Over the years I drove you crazy and you got on my nerves but we always laughed and had so much fun! I just can't imagine coming to Kentucky to visit and your crazy butt not being there! So many great memories with us! Rest in Peace give our family love from all of us! Watch over Aunt Mickey and Alex they need you!*
