“ My condolences and all my heart goes out to our family who lost a wonderful man. My regret is that I haven't been around much in the past ten years and was unable to see Roger much. When I was a young man, and a kid, Roger was always very nice to me, and I remember most how he always had that handsome smile on his face and when he walked downstairs at Aunt Pat's house on Christmas, he would light up the room and everyone would always turn to greet him. It was almost as he was the only one there. I know this is a time of sadness, but I also know he is in a better place. May God Bless you all!

“ I'm very sorry for the loss of Roger. I did not know him well but I do know how much my family loved him and cared about him. He was a good man and will be missed by many.

“ Millie, even though I won't be with you the next couple of days, please know that my thoughts are with you. I am SO glad that we talked a couple of days ago; and I'm saying again what I said then, Roger is in NO more pain!!!! And someday, we will all be with him again; we will remember how young we were when we look at the pictures of your wedding, which I was in.
May God be with you and your family!
Love,
Shirley

“ Roger was a great friend and earlier in my life he was my mentor.

Roger and I were coworkers for 17 years. I will never forget the the things we learned together and the things that Roger taught me.

Roger and his wife Millie were there in a time of my life when I needed true friendship. They accepted me as one of their own and so did the rest of the family.

Thanks to the whole family and things we have shared throughout the years will never be forgotten.
