“ Dear Barbara

I was so sorry to hear about Ron. It is ironic that I was passing your street on Monday and started thinking about you. And then later in the day I got the e-mail about Ron from the Church.

No words can be said to comfort you right now, but please know we are so sorry for you. Maybe we can get together later. I am sorry I could not come and see you, I was working both days and Dudley was out of town. Just remember we love you
