LP

“ Ron was a friendly and fun loving guy who I remember from Fairdale, Kentucky where we all graduated. Ron must have graduated in 1971, two years ahead of my class of 1973. Ron was a good friend to my two sisters, Brenda and Carol and myself, Linda Jo Alexander. Ron loved his used GTO that he bought, and then I remember later that he was able to buy a brand new car, seems like it was a Chevy SS, as he came by our house and showed us his brand new car, as he had got a good job, I assume. I know all of Ron's family is deeply saddened at this time. If I lived close, I would definitely come by the funeral home and pay my respects.

God Bless,
