“ *Every time I see something beautiful I will think of Rohn. He had such a talent! I first met him when he opened his shop on Bardstown Road. I loved working with him, getting to know him, his Dad and your whole family. He has been a wonderful friend to him and I will miss him terribly. My love goes to your family, to Karen and to all those who were touched by his charm. I know he is in a better place and is probably already busy making even nicer.*
