“ Heaven has gained another angel. My brother in law lost his fight with cancer. His journey here on earth was way to short. He now has another journey to be with his heavenly father. His heavenly father said it time to go home my child, as we are all Gods children. So he has gone to be with his heavenly father. He can now also be with his babygirl Samantha, his momma and his dad. You'll probably see my dad too. You can now rest in peace Ronnie no more pain and suffering. So until I see you again , you will be trully missed and loved. I won't forget all the sitting watching movies, playing cards and all the cookout and you sure could cook except when you burnt the pig. You will be trully missed the man that was sexy for his clothes. For all of the ones that are wandering about that last comment, Ronnie would sing that song I'm to Sexy for my clothes. He was a trully a awesome person if you was one of the lucky ones that got to meet him then you know . Love you Ronnie and until we see each other again know that you are trully loved by me and so many others. You are now home I know your body was ready . You now dont have to be tired no more. Love you so much

“ It is with a Heavy Heart and Tears in my eyes that I have to say bye to my childhood friend Ronald Reeves. Ronnie and I have been friends since 2nd grade at Sanders Elementary School, some of my best memories was from those days, like when Ronnie and I was in the 5th grade talent show, we played Wipeout, he played guitar and I played the drums. Ronnie you will always be in my Heart and I will always cherish the time we had together.

*The nasty cancer ate at him til it could eat no more. We will miss you and we love you greatly. Jerry, Teresa Saylor & Mom*
