“ Hey dad. Thanksgiving just wasn’t the same without you. I ask myself every day why this happened to you and what we could have done differently to help you. I just don’t have any answers. There are so many things I want to say to you. I’d give anything to have just one more conversation with you and tell you how much I love you and miss you. I’m gonna come visit your resting place before Christmas. Love you dad.

“ *Dad,
This pain still hasn't gotten any easier. When I fall asleep you're on my mind, when I wake up you're on my mind and when I look around I see you everywhere. I'm not sure why it was in God's plan to take you from us just 3 months after grandma but the amount of pain it's caused this family is indescribable. We miss you and we love you dad.*

“ *Baby I love you so much..It took nearly 36 years to write our love story ..our love was unconditional ! You taught me what love really is and for that I feel very blessed to be your wife,the mother of your children,the grandmother of your grandchildren,your lover and best friend ! It was'nt always easy but all the laughter and tears were worth it and I will cherish all the memories and the life we made together till the day I die.You were always there for me no matter what..I miss you so much and life without you seems unbearable.I feel you walking beside me,whispering in my ear.
Your at peace now with those we've loved and lost.You told me "I will save you a seat " Why does the sun go on shining ? Why do the the birds sing above ? Why does my heart go on beating ? Don't they know it's the end of the world ? It ended when I lost my love !*

“Dad,
Losing you has single handedly been the toughest time of my life. I feel lost and the pain is excruciating. You weren't just my father, you were my friend and you were mom's heart and soul. You were hard on me growing up but it molded me into the man I am today and I hope I was able to make you proud. I miss you so much dad. I see you everywhere. I'm proud to be your son and I'll look after mom and Morgan for you. Find your peace dad. I love you and miss you. Til we meet again.

“ *Leslie, Kyle and Morgan.
I'm pretty floored to find out the news today.
It's been a good while since Ronnie and I have talked but life gets in the way sometimes unfortunately.
Always remember the awesome great times we all had together. A lot of laughs and great memories I'll have with Ronnie. Everytime I think back there should have been circus music playing in the background.
Never a dull moment.
My thoughts and prayers are with you all.*
