“ Rocky, I miss you so much. Face Book will never be the same without your jokes and pleas for help for the home less animals. I know your in a better place where you can better look after the needy animals here on earth until a rescuer arrives. You will be beside of them offering them comfort. I believe you will be with each rescue, watching over the animals and all the people as they help all the animals you love so dearly. Just always know, you are loved as much as you can love, There are no boundaries!

“ Rocky I didn't know you very long but from the first time I met you I knew you were a great person! I will never forget being at the Boatdocks trying to catch a little yorkie that did NOT want to be caught! I remember being down there with you and Beth when a guy came down with puppies for free (4 of them) and you didn't hesitate to take them right then and there so that they would have a chance at a better life! You were an amazing person and will be missed greatly by the rescue world as well as all the people's lives you touched. Fly free Angel - The world is a darker place without your light!

“ I was very saddened and suprised when I heard Ronda was sick. I have known her a long time and I will miss her. Sometimes she helped me sometimes I helped her and sometimes we just cut up and gave each other a hard time. Ronda had a heart of gold and was always helping others. I told you I loved you many times when you were alive and I still do my friend. I will miss you. May you rest in peace

“ I am assumming by your picture and you association with Beth Elkins that you were some kind of special lady. Animal rescue is such a big thing to be involved in and can be very stressful. Thank you on behalf of all the animals that you help. May you rest in peace~

“ There are only so many ways to say you are sorry. And that is simply I am sorry for your loss. I am equally sorry for the loss all of us our feeling with Rocky's passing. Her obituary is fitting to have included Bubba. It is now her turn to wait there for Bubba. God bless you all.
