“ *What wonderful friends I had growing up....fishing, pick-up basketball games, street football. Pool parties and the skateboard ramp. We all skinned a knee or elbow back then. It hurt, but not like this. Keep an eye out for us all Ronnie, you'll be missed.* ”

“ I'll be at Ronnie's! It's what I heard forever it seems. My son, Chris & Ronnie were inseparable growing up together. If Ronnie wasn't at my house then Chris was at Ronnie's house with all the other boys in the neighborhood. All the boys in their group became a little family & made some great memories together. They thought of everything to get into together some good & bad. I haven't seen Ronnie in a long time, but I'll never forget the young boy that was always knocking on my door & his friendship with Chris. Sarah you were a wonderful momma to Ronnie & all the boys. My heart truly goes out to you!!

“ We were a family growing up All of Us Jeremy, Steve, Tony Corey, Chris an myself (the youngest).  
You picked on me like a big brother for years lol but never let anyone else as we got older. So many memories from the time I almost drown in the pool at 7 to the countless nights sneaking out riding in one your cars 🚗. If that garage could talk it would go on forever. Your birthday was 3 days after mine which always made me feel closer.  
You'll always be in my memories an never forgotten. Momma Sarah I love you an thinking about you...

“ I grew up with Ronnie for about 7 or 8 years. He is such a good guy. We did a lot together when we were young - football, basketball, skate boarding, riding the scooter, and hanging out at your house or garage all the time. We always talked about what we were going to do when we grew up and it was obvious you were going to be a contractor. I'm grateful for your friendship and will always remember how you were there for me when my grandpa died. I hope you and your family find peace at this time and enjoy returning home to the Savior. With love, Jeremy Bosco
