“ To me, Rosie was always "Granny". As her great granddaughter, I miss her dearly. She will forever live in my heart, and I talk to her pictures with Grandpa everyday. May she rest in peace.

“ My mother Pat (Raible) Hunt always talked so fondly of Ro. They were the same age & cousins. How lucky was I when I retired 5 years ago and invited to join their 'cousins lunch'. Thats when I really got to know Ro. Talk about a sweet & personable lady. She reminded me of my mom, who I lost recently. She spoke so highly of Chuck & his partner for taking such good care of her. She talked about her travels with family and it was clear how much joy that brought her. What impressed me the most was her resilience and fortitude in dealing with her illnesses. She was a trooper and always had a positive attitude. And, she'd make it to every cousins lunch with a smile. I'm gonna miss her. I'm in Florida so I won't make the service, but sending hugs & prayers to Rosie's family 🙏💕

“ To. Ro’s family: Ro and I went to 1st & 2nd together at St. Elizabeth’s school, then our family was transferred to Our Mother of Sorrows. We would all walk to school together and more importantly, we were together every Sunday and holiday at Grandma & Grandpa Raible’s. We had such great times, especially when we could persuade Ro’s mom to let her spend the night with us. May she rest in peace.

My prayers are with you all. Joyce(Raible) KAELIN, Marco Island, FL.
