“ *My Beloved Uncle Roy! I was blessed to be his niece! I was a shy, introverted teenager, and when Uncle Roy asked if I was going to my Senior Prom (in 1976) because my cousins (his sons) were going to be the band performing I responded "Oh No Sir, I do not have a date". Uncle Roy said "Well get a dress/formal, and be ready because you can just go with The Entire Band". He said "I will come by and pick you up, because you should not miss your Senior Prom". He showed up at our home in his "band van and trailer with all the instruments", and had a flower for my wrist. I will be forever grateful for this kind gesture from a very special Uncle! That was just the kind of person he was! I Just Loved His Laugh! He could always make one chuckle! So today may heartfelt memories provide comfort to all his family and friends. Rest In Peace, Uncle Roy! Much Love, Sherri Jane Claycomb Beshear*
