“ *Uncle Roy, you were like a dad to me. I love and miss you with all of my heart. I know you are with your loving wife in heaven. Now your son has come to join you both. He passed away on May 12, 2021. I know that you are in great hands with the lord and all of our family in heaven. I know that you and Uncle Bill are up there fishing. Hopefully one day we will all be together again. Love always your loving daughter Michelle.*
