“ *Debbie, Rick and Doug:*

I would like to express my sincere sympathy for all of you at the home going of you precious mother, and my aunt, Ruby. She was beautiful, loving, and kind, a wonderful person; the world needs more people like her. You will miss her greatly, but don't wish her back; she has no sickness now, not sad, not lonely, all is perfect peace and joy for eternity in heaven with her Heavenly father, your dad, and many more family members, as well as lots of friends.

Due to a fall I had last week, I was unable to attend the funeral; but the family will continue to be in my thoughts and prayers in the days and weeks to come. God bless. My love,

*Willadean Whittle
