

Ruby James Stearns Montgomery

November 17, 2016

A beautiful Kentucky belle, loving daughter, sister, wife, mother, and grandmother, Ruby James Stearns Montgomery went home on Thursday, November 17, 2016. Ruby gave unconditional love and support to her three children Hewitt, Jim, and Carola, and their spouses Ki and Gail. She was wise and wonderful grandmother “Uh-Ma” to Erin, Emily, Julia, Nicholas, and Kristin. She was also a caring “grandmom” to their spouses Brent and Jim. A friend of many, she gave warmth and attention to all. She was a strong, classy, resilient woman who set positive examples for living. Ruby had a lifelong passion for learning about the world, art, and literature. She was an avid traveler and strong hiker, sharing many adventures with her family. We were blessed to share life with her, and are happy she is reunited with others she loves. We love you Mom! Cremation was selected. A celebration of Ruby’s life will be held in the spring. Expressions of sympathy in honor of Ruby S. Montgomery can be made to The Alzheimer’s Association <http://www.alz.org/>, 1-800-272-3900, 6100 Dutchman’s Lane, Suite 400, Louisville, KY 40205.

“*Ruby was a true steel magnolia. From my youth at Calvin to then being a bank customer of hers, I was always glad to see Ruby. The sound of her voice just made your day better. I was sorry to see her at Jefferson Place a while back. She was a lovely person and will undoubtedly be greatly missed. Sincerely, Bruce*”
