“ *I am a friend of Russell Jr who will never forget the kindness and goodtimes shown me by Mr. Meredith. Talking cars, meeting famous race car drivers and learning billiard table skills was a highlight of my young life. Russell Jr's desire to please his Dad was admirable then - and seems almost non-existent these days!*

Having lost my father in 2004 I will continue to feel the loss though I still hear him speak to me and hear his advice and encouragement daily.

Blessings to you, Russell, your Mom and your family. I certainly share your loss.

“ *Kim and Gertrude,*
We are all so very sad to end our time here with Russ. He was a fun loving, generous man that we all loved dearly. I'm sure he and Ray Thompson are discussing the past over a steak and a drink. It gives me comfort thinking that family and friends are together after they leave us. Our thoughts and prayers are with you.
