“ Ryan and Gramsey were best buddies. We talked every single day of every single week of every single month since he was old enough to dial a phone. He has always and will continue to hold a very special place in my heart. Ryan was a soft spoken, kind-hearted person. I never heard him talk badly of anyone. I am devastated from the loss of this special person in my life. They say time heals all wounds, but this one is going to take a while. All of my memories of him are tucked away in special spots in my brain and in my heart. You'll always be with me, Little Buddy. I love you.
