“ *My sweet mama, I don't know how I'm going to live without hearing your voice every day or seeing your beautiful face. I hope Jesse and I have made the last part of your life as happy as you have made me my whole entire life. I know you will be in my heart and watching over me forever, just as grandma did for you. My first best friend AND mother you will be cherished, remembered and loved by us forever and always THE MOSTEST INFINITY!!*
