“ *I can't even put into words how I will miss you. We met about 1975 /76, and have been life long friends always. We both got laidoff from American Synthetic Rubber, two crazy girls loaded up and headed to Texas. We both got really good jobs, always looking out for each other. Life happens and she needed to go back home to take care of her family as only she would do. That never kept us from being Best Friends. Always seeing each other while we were there on vacation, Sandy and Tommy came down here to visit us, Bobby and I were thrilled to see them. Our hearts are broken for Tommy and the Family Bobby & I will always Love you never to be forgotten*
