“ I am so sorry to hear about Sandy. We worked together at the medical office for many years. One of my favorite people, always so very kind and helpful. Thank you to the girls at the medical Office for informing me. I had hoped to come to the funeral in person to pay my respects but, it just was not possible at this time. She will be sincerely missed. June Hamilton

“ Sandy...just so hard to believe you're gone....we have shared every minute of our lives together not only as cousins but friends....just cant imagine a world without you. I know you are with your beloved Ben and Mom and Dad but selfishly I had hoped we would be here on earth to grow old together and share and make more memories... I will miss you dear cousin...May peace be with you
