“Heather and I are material witnesses via video call Facebook Messenger seconds before at Lance's home she was... justice will be served. Sarah's life will not be another tragedy swept under the rug. Rest in peace, little "I am".

“ I helped Sarah clean houses for a short time and in that time with her I got to know her as a kind and loving woman of faith. She was easy to talk to and fun to be around. She had a spirit of love and her laugh just made me smile. Her presence will be missed and my love goes out to her family, especially her sister Brianna. I'm so glad she is with Jesus and free from the chains that bound her on earth. Until we meet again sweet sister. Peace and love always.
