

Scott Michael Adams

June 6, 1972 - March 1, 2021

Scott Michael Adams, 48, died March 1, 2021. He was born in Louisville, KY on July 6, 1972. Scott was a graduate of PRP High School and University of Louisville. He worked many years as a Nuclear Technologist and was dedicated to his patients and staff. He lived life to the fullest enjoying golf, geocaching, playing piano, music, fishing, friends and loving his family. He was loud, crazy, and made life special for anyone who knew him. He was both a free spirit and absolutely solid about what he wanted to accomplish.

Above all, Scott loved his family. Left here to miss him, and cherish all of the memories, are Christi, their children, Hunter and Stella who were his greatest pride and joy, his mother and father, Linda and Larry Mabrey, his brother, Sam Adams (Cindy), nephew Kyle, niece Kayla, grandmother Vernell Mabrey, cat Juno, and a multitude of family and friends that he considered family.

He was preceded in death by his father, Michael David Adams, and his grandparents.

Scott left an impression on everyone who knew him. He would surprise you with his outrageous personality, his ability to make friends wherever he went, his smile and beautiful eyes. He will forever be remembered in crazy stories and in the hearts of all who knew him.

Please join us for a celebration of his life on Friday, April 16th from 6-9pm at 300 Spring in Jeffersonville, IN.
