“ i miss you so much words can not describe the hole i feel in your place. its been about 4.5 years since you left so suddenly. there is not one single day that goes by and you dont cross my mind. i find myself swaying back and forth like you always did when you stood in the doorways or while you were waiting. “ *Bub, (AKA CITY),Even though we're not blood brother and sister, man I still considered you my brother no matter what! We've come so far, been through many many things together, and gotten so close in the last 5 years!! I sure do miss either your calls or text just checking up on us! It still doesn't seem real to me! But I know that once it does hit me, you'll be there watching over me!! And I can hear you now saying "SIS, QUIT THAT CRY BABY SHIT! YOU NOT A PUSSY GIRL! NOW DRY THEM TEARS, AND TOUGHIN UP!!!" I sure do miss you Bub! Love ya, SIS (AKA CHRISTAL)*

“ I still can't believe your gone or how you went. Has hard as it was to see I couldn't leave your side until help got there. That will be our last memory together but just in the short time I got to know you I could see that you had so much more to offer this messed up world. We all make mistakes and then the world judges us from then on but there are some that don't. You will never be forgotten that's for sure and loved always. Rest easy up there and shine bright! You always brightened up a room when u entered. My prayers are with your family and friends.
