“ Joyce,
I'm Cheryl's friend that always got Scott any of the 'give aways' we got at the basketball games at Freedom Hall.
I'm so very sorry to hear of his passing. He was a wonderful guy; I know from talking to Cheryl. I know the joy he brought all his family and friends.
I'm sorry I never got to meet him personally. I know we would have had plenty to share. I hope the little things I was able to get him made him happy. I know there was no bigger CARDS fan. You, and all the family, are in my prayers.
Thinking of you all,
Kathie Hart

“ I was so saddened and shocked when I saw Scott's obituary in the newspaper. It was like my heart was broken in a million pieces. Scott was more than just my patient, he was like my own son. Scott knew I cared very much about him and he cared about me too. I am down in Florida at my grandson's graduation, or I would be there today. I can't imagine the grief you are going through because you both loved Scott so much. He also loved you both so much. Scott lived his life to the fullest and had a heart of gold. He really impacted my life and I will never forget him and the wonderful person he was. My deepest condolences to you both. I am thinking of you both today. Kathy
