“ Mr. Kaelin and family: So sorry to hear about Scottie's passing. She was always so much fun to be around at our TR&D functions. I remember how excited she was when she won the nativity set I made at one of our Christmas parties. My deepest sympathy to you all.

“ I was so sorry to hear about Scottie passing away. During this difficult time may you find comfort in knowing that she is no longer in pain and is a peace in the care of God. There will always be a void in your lives but the love that Scottie had for her family will always be there, and all of the wonderful memories that were made while she was still with you will never be forgotten. May they bring you comfort as you adjust to the changes this will make in your lives.
