“ My deep sympathies to Sean's family. I'll always remember Sean as the quiet, kind, tough little boy who loved to play baseball at Germantown, was a heck of a young catcher and hitter and grinned big whenever coaches bragged on him, which happened often. Our thoughts and prayers go out to the Erickson family.

I knew Sean from work. He worked next to my business. He was ALWAYS kind and helped me out many times. He would always try to smile no matter what kind of day he was having. If I was having a bad day he wouldn't leave until he made me smile. He is greatly missed and my heart his broken for his family. May you Rest In Peace and watch over your family, and protect those boys that you loved SO MUCH
