“ *My Sweet Sister Shannon.. You will be Forever in my heart. About 10 years ago I found you through Social Media. I remember how Shocked you were to find out you had two more sister's in California you knew nothing about! However it was like we knew each other our whole lives. We had so much in common. I am So blessed I found you and got to know you. You will Always have a Special Place in my Heart. I am at peace knowing you are not suffering any more. I Love You, my Sweet, Sweet Sister Shannon. May you RIP...*
