“ Aunt Shar was so much to me. She was always there for my mom & I know she thought the world of my dad and he of her, his baby sister. I will always remember spending time with her, Mom and Aunt Pat, just laughing and loving and going wild all over town. My love to my precious cousins and their families as they go through this grieving process. The absolute LOVE that this woman had for them and for us is amazing. Love you ❤️ so much Aunt Shar
