“ I grew up in Portland with Sharon. She came to our house every morning and we walked to school together. I still live in Portland and work on the Portland Anchor. I considered Sharon a good friend growing up and was sorry to hear about her passing. I work on the Portland Anchor and would like to include her obituary in the Portland Anchor in February, but would need an ok from a family member in order to do. I knew her mom and her sister Wilma, who went to school with my sister Jenny. I am sure there are a number of Portland residents that remember Sharon. My sincere condolences to Sharon's family.
