“ I am so sorry to hear that Sharon had passed! I grew up next door to Sharon in Bluefield, WV! We were the same age and went through school together! Debbie (Ratliff) Hardy, Sharon and myself grew up in a neighborhood where boys outnumbered girls two to one! We always had to prove we were smarter and tougher than the boys! We did a great job because the boys usually included us in there escapades! I know her family will miss her terribly! Please extend my condolences to all her family and friends!

I am sorry to hear that Sharon passed away. She is my cousin and our families all lived very close to each other. She was very close to my older sisters. We all spent time playing baseball, volleyball and badminton in our yard or my grandparents fields. My grandmother and her father were brother and sister. But we all grew up and became scattered across the country. Still family is always family and I pray God will comfort each of you.

Barry and family: Our condolences on your loss of Sharon . Sharon is my cousin and we were in the same graduation class of 1968. We lived in the same neighborhood, road the school bus together, and played together. Although we lived far away from each other, I sometimes got to see her when she came home to visit family. Barry, We will pray for you and your family! I also send my condolences to her family in West Virginia and around the country. She will be missed!
