“ Pam, you are blessed to have had such a wonderful mother with whom you were so very close. She was always so kind and caring and I know you were "her world". Many of us lose our loved ones without making an effort to spend time with them before they are gone, and regret it for years. Always cherish the memories of your time together as you endure the painful days ahead.

*I will miss hearing your mom's voice when I call, and I will miss seeing her smiling face during our meetings. I am so very sorry for your loss.*
