“ I was sitting here thinking about many influential teachers in my life and wondered how or where they are. My most favorite was my kindergarten teacher from Fort Knox. Mrs Sharon Quiggins. She wrote to me as I grew up and We lost touch. In 1998 when I was working at Meijer on Dixie Hwy, decorating cakes, I saw this lady and immediately knew it was her. We talked and talked and I promised I would come see her. I always remembered the address 9910 Stonestreet Rd. Always. I looked for her on Facebook this morning but instead saw the Obituary from a few years ago. I'm saddened by this. I should've gone sooner and most of all said thank you once again. When a teacher keeps you that close through the years...she is amazing. One day sweet lady, I will be able to say Thank you face to face. I am so sorry I did not come see you here.

“ I want to express my sympathy to the family of Sharon Quiggins. Sharon was the first friend I made when I moved to Valley Station and started elementary school and she will always have a special place in my heart and memory.
