“ I met Sharon in the fourth grade at Holy Name. She and I sometimes walked home together. We found we had three big things in common: we loved to talk, we loved to sing, and we loved to laugh. We continued our education together at The Academy of Our Lady of Mercy where we worked at honing our musical chops. Sharon was a very talented lady.  
I already miss her. I pray for peace and healing for Sharon's family and friends, and that your faith and warm memories will sustain you. Sending love and big hugs.

JN

I knew of Sharon through Leroy and Melinda. Although I'd only been friends with her a couple of years, she was a warm and kind person. My heart and prayers go out to the family. She will be missed.

“ I have so many memories of Sharon, that it is hard to pinpoint one. I have known her nearly all my life and her sweet boys, too. I was elated when she found me on Facebook, listing as much about me as she could remember to see if I were the real me. lol She was always there when someone needed to talk, and always with kind words, scripture and a laugh. I received her yearly Christmas card just a day before she fell ill and now it is something that I will always treasure and keep safe, scrawled with the last of her kind words and her loving touch.

*I will miss you, lady, so much more than you know...*

Love,  
"wild woman" (lol)

“ *Sharon and I went to Mercy together for 4 yrs. I found her on Facebook a few yrs ago. It was so nice to talk to her and to read her devotions she posted. This is truly heartbreaking but Heaven has a new angel. Love you.*
