“ It makes my heart so heavy to know that such a wonderfully strong person has passed away. Aunt Sheila was such a light to be around. I will never forget the times we got to "hang out" at the beach while she taught me the importance of a good tan. and I will forever think of her when I smell red door perfume. I always admired the amazing artistic talent she was blessed with! Heaven has been blessed with another amazing Angel to watch over us. Aunt sheila, you will hurt no more. You are loved so much and will be missed even more.  
~ forever your Niece
