“ *Uncle Johnny and Aunt Betty,
I was so very sorry to learn that Sherry had passed. I'll always
remember how kind and helpful she was to me when I stayed with
her after first arriving at Fort Hood. I know your hearts are heavy,
but lean on the promise we're all given of a better day coming when
we all get home. We love you and will be praying for you. Anthony &
apty.*

“ I am sending my condolences to Sherry's family, I Know Sherry will be sadly missed by all.

I was one of Sherry's coworkers at UPS. She was always so friendly and full of story's of her kids and grand kids, she would bring in her home made lemonade and share with many of us.

Sherry and her family are in my prayers and in my thoughts. God Bless.

“ *Betty, Johnnie, Stacey, and family, I am so shocked and sorry for the loss of Sherry. I have known her for a little over three years now and I was just beginning to feel such a closeness to her. Just Sunday we hugged and I felt such a warmth. I will miss her beautiful voice at church as well as her wonderful smile. I love you all.*
