“ My deepest sympathy to Cindy and Sherry and all the family. I have the fondest memories of your family while I was growing up at Herald Johnson General Baptist Church. Although I have been gone from Louisville for 30 years, I would often think of your family. Your mom and dad were very special. Blessings on your day.

“ Cindy I may not be able to attend the service tomorrow. I am not feeling very well today and probably should not be out. Your family was so special to us all. Always so kind and loving to everyone. Such special friends. I will always remember your sweet mama especially at Christmas time. She was always giving us , the library ladies, special decorations she had made for us. Now they will be even more special as they remind me of her and her giving heart. Be assured of our continued prayers for you and Sherry and family. Sending our love and prayers Stan n Bettye Willett

“ So very sorry that we will be unable to attend Shirley's service, but certainly will be praying for you, Cindy & Sherry! Shirley was one of the most loving & giving people I know. She certainly loved Larry, her girls & Brandon so much. It was my privilege to have her in my life & I thank God for allowing me that joy.💕

“ I met Shirley through Cindy, I thought she was the sweetest lady but so is Cindy. I can not imagine what the Family is going through right now. As a close friend to Cindy, I can't treat her the way I have before. Things are so different today ,but she knows we Love her and Pray for her whole Family while they go through this stressful time. With Love Wanda and Family💕

“ Shirley and Larry were at Shively Baptist before Al and I started which is been close to 30 years ago. Larry was our Sunday school teacher and he and Shirley quickly became our friend. We enjoyed many Good times with this sweet family. Talk about home cooking and brownies with big chunks of walnuts was one of Shirley's favorites to bring to every event. Larry was like a brother to Al . Once I ask Al a question and Larry answered it. Shirley had a laugh no it was a giggle that could cause everyone to go with her. She was a crafter and always ready to chip in for any type mission program. We love you and we will miss you already, till we meet again God be with all your family, Al and Faye
