“ *RIP Shirley Haycraft. She was always such a vibrant and energetic person, her work being her real passion in life. That is how I will remember her.*

She welcomed me into her world always treating me like family. Her kindness and generosity are a rare commodity these days.

Even though we have some family in common, our friendship went far beyond that being one based on trust and mutual interests.

She was a good friend and she will be missed. I will see you on the other side.
