“ Mike and Kevin and family, we moved into the neighborhood in 1985. We were welcomed by your Mom and Dad and was told that if we ever need anything to let them know. We were impressed by their friendship. As our family grew with our 4 children so did our friendship with your parents. They were at that time the grandparent figure on Acorn Way. Especially John, he helped keep a eye on everything and would report to us what our kids were doing. Your Mom would share extra food from events and we would do the same with them. I always enjoyed giving a hand to help them in any way possible. They were always welcomed to our family events, with 4 kids we had a lot of parties, birthdays, graduations, weddings etc, At Christmas we exchanged gifts and your Mom always got the kids something, and our kids shopped for them as well. After your Dad passed we kept the same tradition and would check on her more often. Still giving a hand when we could, she always hated asking though. Your Mom was one of the kindest , sweetest and caring lady I've ever known. We have missed her over the past several months and will forever miss her until we hopefully meet again in heaven.

“ *Aunt Shirley was like a mom to me. Our families did everything together when we were young before we started getting married. I spent every summer with Mike and Kevin. Even after we all got married we still spent holidays together. I will miss her till the day I see her again! Your loving niece, Rene Hensley*
